## 2019 CABERNET SAUVIGNON

LIVERMORE VALLEY

ALC. 14.6% | TA 6.6 | PH 3.74 | CASES 84

### TASTING NOTE

Aromas of graham cracker, chocolate, and vanilla lead to a palate rich with berry characteristics. Mixed fruits, including red cherry, blackberry, and fresh plum, are complemented by hints of cinnamon. This wine is complex and distinctive, with a round, rich mouthfeel that leads to a superb finish.

### VINEYARD

The Cabernet fruit came from our Estate Block 7 vineyard. The deep, gravelly soils in this vineyard promote low to moderate vigor, encouraging the vines to produce rich, concentrated fruit. Water drains quickly in this soil which compels deep root growth for accessing water and nutrients found in the rich subsoils below.

### VINTAGE

March rains delayed bud break and the region experienced beautiful weather during flowering, leading to great fruit set. The mild weather provided an even growing season and longer hang time, allowing the fruit to develop more concentrated flavors. Yields were lighter than in 2018, but similar in bold flavors, fresh acidity and pretty aromatics.

### BLEND

100% Cabernet Sauvignon

### AGING

21 Months

75% New French Oak Barrels

25% Neutral Barrels

### PAIRING

Grilled Filet Mignon with  
Cabernet-Berry Reduction

Stuffed Portobello Mushrooms

### ACCOLADE

Gold Medal

*2023 Alameda County Wine Competition*
